

COPS Quick Facts

For the State of California

To Date, \$1,566,132,222 in COPS grants were awarded to law enforcement agencies in the State of California

Highlights

- COPS grants have funded 16,352 additional police officers and sheriffs deputies to engage in community policing activities, including crime prevention, in California.
- 572 local and state law enforcement agencies in California have directly benefited from funding made available through the COPS Office.
- \$61,593,491 has been awarded to add 492 school resources officers to improve safety for students, teachers, and administrators in primary and secondary schools throughout California.
- \$335,715,009 has been awarded for crime-fighting technologies. This funding has allowed officers to spend more time on the streets of California fighting and preventing crime through timesaving technology, information-sharing systems, and improved communications equipment.
